Originally built in the early 12th century (1133CE) in Sacramenia, Spain, the Cloisters were part of a Cistercian monastery for nearly 700 years. The Cloisters were dismantled and shipped to the US by William Randolph Hearst in 1925. In 1953, Time magazine called the reassembly of the 135,000 stones the "biggest jigsaw puzzle in history." The Ancient Spanish Monastery Foundation is a 501(c)3, non-profit and a percentage of your donation is tax deductible.
